- Frequency response: 56 - 25,000 Hz
- For further information, please take a look at [this link](#)

Portable Spotlights Wireless Astera AX9 PowerPAR™

case stored in B 10.3

- Number: 8
- Description: The AX9 utilizes the AX5's successful 3-in-1 concept which allows it to be used as wireless light and elegant uplight as well as a wired PAR light for longer or bigger installations. This makes it an extremely cost-efficient light and keeps your investment to a minimum. The AX9 packs extreme brightness in a compact and light housing while still giving you industry-leading colors and white tones thanks to its Titan LED Engine.
- For further information, please take a look at [this link](#).
- Please ensure that you leave the case open whenever the spotlights are charging, as the weight of the lid can cause the cable to fray, which may result in a short circuit.

Toolbox

Line Laser

- Number: 1
- Use: Hang/ place things straight 4

Toolbox

- Number: 1

Drill

- Number: 1
