## Cafeteria University Hospital Card Validation

As an ETH-Member you can eat at the very close cafeteria of the University Hospital for a reduced price. But first you have to validate your ETH-Card. For this you click the following link: <http://www.usz.ch/seiten/essen.aspx> and fill in the form.

You will get a confirmation e-mail with two attachments ("Bestätigung\_Registrierung.pdf" and "Plan\_USZ.pdf"). The first one is to be printed out and signed. Then you bring the signed confirmation sheet together with your ETH-Card to the University Hospital's customer service and let them validate it there.

Location:

You enter the hospital through the entrance to the building "Nord 1" (Nr. 14), turn into the first hallway to the left and walk for about 50 meters until you see the customer service on the right-hand side.

After having successfully validated your card you can easily charge it with cash (only bills) and then simply pay your meal using your card.
