

## Sample Event Budgets

Typical formats for events are workshops, lectures, panel discussions, exhibitions, or performances but there are no specific limitations set by the Collegium Helveticum.

The list provided below gives you rough numbers to calculate costs for elements of an event. For an international conference (duration 1.5 to 2 days), the Collegium usually has a maximum of 1 to 2 guests from overseas (economy flight and accommodation for up to 3 nights) and about 2 to 3 guests from Europe (economy flight/train 2nd class and accommodation for 1-2 nights). The Collegium covers costs for travel expenses of invited participants. The Collegium usually does not pay a honorarium for invited speakers, except for independent artists, scholars, writers etc. Below you can find sample budgets for a conference and a workshop to give you a realistic sense of costs to expect.
